TECHFORCE FOUNDATION Instructor Playbook 2023/2024

TECHFORC

Who is TechForce Foundation?

We know instructors juggle tons of responsibility. We're here to help. We believe all students deserve to find an education and career that fits, and that the technician shortage is real. For this reason, we are dedicated to helping you teach and graduate as many future techs as possible.

TechForce Foundation is:

- A national nonprofit 501(c)(3)
- Our mission is to champion all students to and through their education and into careers as professional technicians.
- Work in all 50 states with middle schools, high schools, post-secondary schools, homeschool and afterschool programs to reach students searching for an education and career that fits.
- Disperse an average of \$2.3 million in scholarships and grants annually.

We represent all industry sectors

Technicians work in a myriad of industry sectors and we represent all of them, from auto, aviation, diesel and collision to EVs, marine, motorsports, motorcycle, restoration and welding.
